

April 2017

Dear High School Jazz Band Instructor,

Once again, the Hot Springs Jazz Society will award scholarships to exceptional high school students for the University of Arkansas-Monticello High School Jazz Camp to be held July 16-21, 2017.

Criteria for these scholarships is outlined on the application included with this letter. The application must be filled out and returned to the Hot Springs Jazz Society with a recommendation from the student's music teacher. Scholarships will be awarded as long as there is money available.

We know that this is a busy time of year for your music program; however I am sure you will want to share this exciting information with your students. It's a great musical and educational opportunity.

Please don't hesitate to contact us if you have questions. My email is jorgensenr27@gmail.com or contact Gretchen Taylor, Executive Director of Hot Springs Jazz Society, at HSJazzSociety@gmail.com. You can also find information and additional applications at our website:

<http://www.hsjazzsociety.org/index.php?page=scholarships>

We urge you to act quickly! Last year all of the scholarship money was awarded by early June.

We look forward to hearing from you and your students.

Sincerely

Richard Jorgensen
Board Member and Scholarship Chair
